A little more about me...

I have 2 children. Brittany is a graduate of Anderson University and Tyler is a senior at White Knoll High School. I am excited to announce that I will be gaining a son-in-law in March, as Brittany will be getting married! ☺

As a family, we enjoy going to the beach, mountains, movies, and eating out. In my free time, I enjoy snuggling on the couch or hammock with a good book or a good movie. I love reading on my iPad or search for ideas for teachers on the web.

I love working at Gilbert Primary School. It brings joy to my heart each day to see the smiling faces and receive hugs from so many of my precious friends. I love to visit classrooms, work with students, and see the wonderful learning taking place. It is such a joy to get up every morning and come to work at a place you love!

Go Scouts!
