## ***A little more about me...***

I am excited to be joining the Gilbert community and GPS! It is going to be a great year of learning and growing. I am passionate about making the most of each day and doing the best job possible for our students!! It is my hope that this passion is apparent in all I do. I consider myself very fortunate to work with the Gilbert Primary faculty, staff, and families.

I am married to my best friend, Bill, and we have 2 children. Billy is 23 and in the U.S. Army. He is stationed at Ft. Campbell, KY right now with his wife Savannah. Our daughter, Megan, is 19 and a sophomore year at North Greenville University.

As a family, we enjoy going for walks, going to the movies, and eating out. Some of my favorite things to do in my "alone" free time are making cards, writing and reading. I also love technology!! I have found that iBooks is a great way to have several books with me at once (on my phone or iPad).

This is sure to be a fabulous year, and I look forward to working with each of you. Please feel free to let me know if I can help you in any way. I am only a phone call or e-mail away!!
